

ROTOMAX Electric Home Appliances is founded in 1995 by Mr. Subhash Chander Verma as a firm. It is the manufacturing firm of electric home appliances product like ceiling fan, pedestal fan madhani, cooler kit, cooler pump, exhaust fan and electric iron.

The motive of the founder is to proud the nation using country made product by the peoples. We made best quality products and believe in 100% customer satisfaction.

The world is changing all around us. We must get ready for tomorrow today. That's what our vision is all about. It creates a long-term destination for our business and provides us with a roadmap for winning together with our customers.

Our Vision

Our vision serves as the framework for our roadmap and guides every aspect of our business by describing what we need to accomplish in order to continue achieving sustainable, quality growth.
